

AT ROSENHILL SEAMEN'S CENTER WE CAN OFFER YOU:

- **Free transport** from, and back to, the ship.
- **Free WiFi** and a laptop for lending.
- **SIM-card top ups**
- A nice **cafeteria**, which you should visit if you want to relax, have a cool beer and a snack.
- A soothing swim in our heated **swimming pool** (28 °C), or relax for a while in the sauna. Shorts and towels are free of charge.
- **Bus tickets** – if you want to see what downtown Gothenburg can offer, we suggest that you go there by bus. A taxi would take you there quicker but taxis are really expensive here, unfortunately. It takes about 25 minutes by bus. Buy a bus ticket at the reception as they are not for sale on the buses.
- **Pool/billiard** – we have two pool tables, located in the basement. Just ask for cues in the reception, they are free of charge.
- **Souvenirs** – we have a great collection of Swedish souvenirs for sale in the cafeteria.
- **Sightseeing** – if you want to explore the beautiful surroundings of the seamen's club, please do so. If you want to take a longer walk or borrow one of our **bicycles**, to see what the neighborhood has to offer, we suggest that you take a map with you. You get them for free in the reception.
- **Sports** – if you want to play any outdoor/indoor sports like soccer, tennis, badminton or basketball we have all the gear that you need - also free of charge. Ask anyone in the staff and they will gladly help you out.

We hope you have a pleasant time here at our seamen's center! If you have any questions, or need help with anything out of the ordinary, for example to send money, we will do our best to help you, just ask anyone in the staff.

Rosenhill Seamen's Center welcomes all seafarers to visit our facility on Hisingen, in Gothenburg. We provide a nice and cosy place – a green oasis near the ports – where you can spend your leisure time.

Seafarers in port are offered transport from the ship to the seamen's center and back again. We can also arrange transport to attractions, like the Volvo Museum or to a shopping mall.

We can offer various activities, for those engaged in sports, and also suitable facilities for recreation.
